

TUtasty - Iteration 3

Maja Schuknecht, Xinyi Miao
14/12/2022

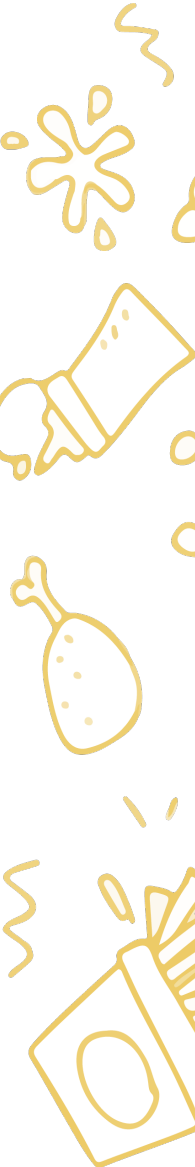

Framework

Customized Design Style : More flexible , Can perfectly suit our app.

Framework7 :

- Incorporates material design, iOS guidelines.
- Covering many of the **components** we need
- More comprehensive components-syntax, e.g **vanilla JavaScript library**

Design Style - Color

**Dominant
Color**

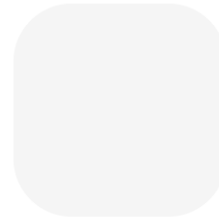

#2B64B8

**Accent
Color**

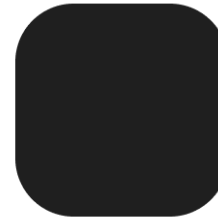

#EEB345

**Background or Font
Color**

#F5F5F5

#1F1F1F

From Dominant color, with different saturation and brightness levels.

Design Style – Text&Icon

Font: Inter

X-height is 69%.

the **higher X-height** helps with the **readability** of mixed-case and lower-case text

Contrast Ratio

#2B64BB and #F5F5F5 has a contrast ratio of **5.76: 1** (Conforms to the minimum contrast ratio specified by W3C)
